

Fabulous Frames & Art

CAPABILITY STATEMENT

ABOUT OUR COMPANY

Fabulous Frames & Art is a family owned business founded in 1981 by Ken & Carol Carl in Cincinnati, OH. The company started as a local do-it-yourself frame shop and has evolved into a custom framing and art gallery with three locations, providing creative and quality custom framed art to government agencies and Fortune 500 businesses nationwide. The company qualifies as a small woman-owned business.

COMPANY PRINCIPALS

Carol Carl: Principal Owner & Gallery Manager. Graduate of the University of Cincinnati and has 25 years of purchasing and business management experience.

Ken Carl, CPA: President & Owner. Graduate of the University of Cincinnati and Xavier University. Has over 30 years of business management experience.

Brian Hodges: Operations Manager. Graduate of the University of Cincinnati. Has 19 years experience in the industry. Provides support to our sales and production staff as well as overall direction for the gallery interiors.

Shane Battershell: Production Manager with 16 years industry experience. Responsible for QA and production timelines.

Tanya Gemmer: Corporate Sales Manager and Designer. Graduate of Eastern Kentucky University. Has 16 years industry experience. Manages all aspects of our sales to government agencies, corporations, hospitality and healthcare facilities.

KEY PRODUCTS

Fabulous Frames & Art provides custom framed art, art consulting services and professional installation. Our products are installed in military lodging facilities, restaurants, corporations and healthcare facilities.

SERVICES

Fabulous Frames & Art will work with color boards, floor plans or interior photos to provide our client with a custom designed art presentation for their facility. We offer a broad array of art from posters to limited editions to originals and will work the client's budget to maximize their artwork coverage. We are proud of the creativity that we can provide to our clients with framing designs.
